re: BIS #
Address
New York NY

To Whom It May Concern:

I, Peter Willcox, am the architect for the above-referenced project, and I am writing this letter to certify that combination Smoke and Carbon Monoxide Detectors have been installed per the approved plans in accordance with LL 7 /04, and the installation meets all requirements of the rules and regulations of the City of New York Building and Electrical Codes. They are in working order.

Sincerely,

Peter Willcox RA
