Re: 369 Broadway #110012101

The application for a Conversion and Vertical enlargement has been filed under #104402816 was renewed on December 17th of last year. Note- 369 and 371 Broadway Are being combined with this project. The project has been stalled due to legal and financial issues. The owner is attempting to continue with this project and proceed and complete this new construction.

The shed must remain at present to protect the public.
