### 3 As Built Information P.E./R.A. responsible for progress inspections, choose one below and sign/seal.

|                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                  |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> The as-built conditions of the completed building conform to the originally approved energy analysis and do not require a revised energy analysis. | <input type="checkbox"/> The energy analysis has been revised according to <u>one</u> of the statements below:                                                                                                                                                                                   |
|                                                                                                                                                                             | <input type="checkbox"/> Attached is a revised energy analysis, prepared, signed and sealed by the registered design professional who prepared the previously submitted and approved energy analysis. The as-built conditions of the completed building conform to this revised energy analysis. |
|                                                                                                                                                                             | <input checked="" type="checkbox"/> The last revised energy analysis was submitted and approved as a post approval amendment on <u>11/22/2021</u> (date). The as-built conditions of the completed building conform to this revised energy analysis.                                             |

### 4 Progress Inspector's Statements and Signatures P.E./R.A. responsible for progress inspections, choose both below and sign/seal.

I have reviewed the information provided herein and, to the best of my knowledge and belief, attest to its accuracy. Falsification of any statement is a misdemeanor and is punishable by a fine or imprisonment, or both. It is unlawful to give to a city employee, or for a city employee to accept, any benefit, monetary or otherwise, either as a gratuity for properly performing the job or in exchange for special consideration. Violation is punishable by a fine or imprisonment, or both. I understand that if I am found after hearing to have knowingly or negligently made a false statement or to have knowingly or negligently falsified or allowed to be falsified any certificate, form, signed statement, application, report or certification of the correction of a violation required under the provisions of this code or of a rule of any agency, I may be barred from filing further applications or documents with the Department.

I, Jacob Haas, P.E., a registered design professional who performed or supervised the progress inspections for

Envelope (envelope, or HVAC/service water heating, or electrical/lighting work), certify that, to the best of my knowledge and professional judgment, the above checked statement(s) are true with respect to the progress inspections I completed as indicated on my signed, sealed and submitted TR8.

Name (please print)

Jacob Haas, P.E.

Signature

07-30-2024

Date

P.E. / R.A. Seal (apply seal, then sign and date over seal)
