Dear Commissioner Rebholz:

The New York City Office of Environmental Remediation (OER) has reviewed the October 2015, Mitchell G. Attick R.A.-certified project description and plans for the above referenced site. These documents were submitted to support the work proposed under the above referenced DOB Job No.: restoring to conditions stated in legal c of o. Removal of showers and sink, illegal partitions water and waste lines in cellar. Ans violation 35138688r no change to use occupancy or egress. As per the applicant, there will be no soil disturbance/excavation, change of use/occupancy, or egress as a result of the proposed work.

Based on review of the submitted documentation, OER has no objection to the applicant's completing the work associated with the above-referenced DOB number. **No further review or approval is required by OER.** As the “E” designation requirements remain in place, OER would continue to review any future action(s) at this site.

If you have any questions or comments, please contact me at 212-788-3922.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Bertini", written over a horizontal line.
