To Whom It May Concern:

This letter shall serve as a notification to the New York City Fire Department that work will be performed to modify the existing sprinkler system at the above location. In accordance with Technical Buildings Bulletin 2012-009, please find the required information pertaining to the temporary disconnection of the sprinkler system detailed below:

The scope of work involves the relocation of 10 sprinkler heads on the 1st floor and the relocation of 11 sprinkler heads on the 2nd floor.

- **Date of work: 6/26/2020**
- **Time of work: 24 hours**
- **Duration of disconnection: 12 hours per day**
- **Temporary Fire Protection measures provided: fire extinguishers**

Should you have any questions and/or comments please feel free to contact me.

Very Truly Yours,
