DEPT BLDGS Job No. 123191884
Scan Code ESHS8851363

To whom it may concern,

This is to confirm that in October of 2017 I have checked the garage located in the rear at 188 Edgecombe Ave New York NY 10030 and found no electrical wires or appliances. And there is no power in the garage.

Any questions please contact me at 718 740 9473.
