Pursuant to Section 25-306 of the Administrative Code of the City of New York, the Landmarks Preservation Commission hereby approves certain alterations to the subject premises as proposed in your application completed on February 13, 2020.

The approved work consists of interior alterations only at the cellar and mezzanine, as shown on drawings, labeled G-100.00, D, 101.00 and A-101.00, dated January 31, 2020, and prepared by Alta Indelman, R.A.; and P-001.00, P-002.00, P-003.00, and P-101.00, dated January 31, 2020, and prepared by Jack A. Green, P.E., all submitted as components of the application.

The Commission has reviewed the application and these drawings and finds that the work will have no effect on significant protected features of the building.

This permit is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the application or disclosed during the review process.
