Dear Manhattan Borough Commissioner:

The New York City Office of Environmental Remediation (OER) hereby issues a Notice of No Objection for the above-referenced Department of Buildings Job Number with the following project descriptions: filing for limited penetrations, ceiling removals and restoration, cutting and patching at existing shaft, roof flashing at new equipment supports. No change in use, egress or occupancy under this application. This correspondence is provided pursuant to OER’s responsibilities as established in Chapter 24 of Title 15 of the Rules of the City of New York and Section 11-15 of the Zoning Resolution of the City of New York.

Based on review of the information submitted by the applicant, OER has no objection to the applicant completing the work associated with the above-referenced DOB job number. **No further review or approval, including a Notice to Proceed or Notice of Satisfaction, is required by OER for the above-referenced DOB job number.** As the “E” Designation and Restrictive Declaration requirements remain in place, OER will continue to review any future action(s) at this site.

If you have any questions or comments, please contact Anna Brooks at 212-788-7423.

Sincerely,

Maurizio Bertini, Ph.D.
Assistant Director
