Sidewalk Permit Renewal

To whom it may concern:

I, Howard Zimmerman (Registered Architect), am requesting the renewal of shed permit #**140055570** for the above referenced property.

The condition of the building is fair and 45% of the work has been completed since the issuance of the permit. The work performed to date includes window sill replacement, lintel maintenance, as well as miscellaneous brick replacement in various locations. The work is expected to be completed (weather permitting) by June 2016.

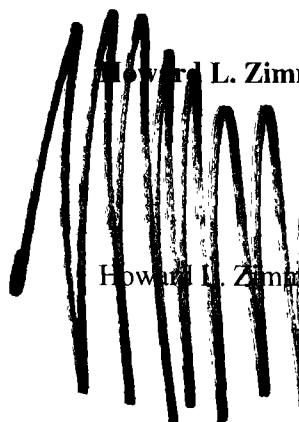

Based on the above, we respectfully request granting renewal of **Sidewalk Shed Permit #140055570** which expires on 2/2/2016 as taken out by Everest Scaffolding Inc.

If you require any further information concerning this project please feel free to contact me directly at 212-564-9393 or alternately you may contact the resident manager or the property manager as follows
