Oil Burner Installer / Master Plumber Seal (apply seal, then sign and date over seal)

Verified Statement of Readiness: This statement is hereby affirmed under the installer's professional seal as proof that the conditions as stated have been met prior to requesting an appointment. Failed tests resulting from false or incorrect statements of readiness may result in referrals for disciplinary investigation.

I hereby affirm the device installed matches the device described in this application.

I further affirm that I have inspected the device and the positioning of the device within the premises, and I confirm that the installation is in conformance with New York State and City Code, Rules, and Regulations requirements and the ASME standards.

No boiler is to be placed in operation until a certification is issued by a Department of Buildings boiler inspector.

A satisfactory inspection by the department shall not be construed to be an approval by the department of a violation of the provisions of NYC Admin Code or of any other provision of law.

Falsification of any statement is a misdemeanor under the NYC Administrative Code and is punishable by a fine or imprisonment, or both.

The owner of a boiler that is removed or discontinued from use shall file a written notice of such removal or discontinuance with the Commissioner within 30 days of the date of the removal or discontinuance as per NYC Administrative Code §28-303.9. It is unlawful to give to a city employee, or for a city employee to accept, any benefit, monetary or otherwise, either as a gratuity for properly performing the job or in exchange for special consideration. Violation is punishable by imprisonment or fine or both.

Department of Buildings Sign Off For internal use only.

I hereby certify that the work indicated above has been completed in conformance to the Codes, Rules, and Regulations enforced by the New York City Department of Buildings.
