The staff of the Landmarks Preservation Commission recently received a request to sign-off on interior work completed at the subject premises under Certificate of No Effect 20-09983 (LPC-20-09983), issued on April 28, 2020. Accordingly, staff reviewed the Commission's files and found that the approved work is limited to interior alterations only and, therefore, the Commission has no objection to the issuance of final Department of Buildings sign-off for this work at the subject premises. Thank you for your cooperation.
