Re: ACP-7 Form
Bronx: Betances Houses, 417 E.146TH.St. Apt.1A
Block: 2291, Lot: 23

Dear Mr. Fariello:

The New York City Housing Authority respectfully requests the Department of Buildings, in all Boroughs, acceptance of form ACP-7 with TBD (To Be Determined) listed for contractor, with no stamp by DEP, for the purposes of pre-filing and plan applications ONLY. We request this on the grounds that an completed ACP-7 form will be filed with DEP by the contractor after the NYCHA bid cycle and all contractors are identified and have passed "Vendex".

A copy of the final ACP-7 form, can be furnished to DOB either from DEP or NYCHA at the time that the contractor(s) seek a Work Permit.

As always the Authority is grateful for your cooperation and assistance.

Thank you
