RE: 408 East 189th St

Dear Applicant:

The site plan for Plan Review number P3820 was reviewed. Based on the findings, it is advised that you cannot plant any trees in front of this address due to DPR spacing guidelines. The length of 12 " – 9" falls short of the desired spacing distance of 20 feet. Please resubmit the plan including the tree removed from the plan and the plan will become approved in final.

Thank you in advance for a prompt response and return of an updated site plan. If you have further questions or want to submit the revised plan feel free to contact me at erin.duffy@parks.nyc.gov.

Thank you,

Erin Duffy
