This permit must be posted visible to the public. Falsification of any statement is a misdemeanor and is punishable by a fine or imprisonment, or both. It is unlawful to give to a city employee, or for a city employee to accept, any benefit, monetary or otherwise, either as a gratuity for properly performing the job or in exchange for special consideration. Violation is punishable by imprisonment or fine or both.

- I understand that if I am found after hearing to have knowingly or negligently made a false statement or to have knowingly or negligently falsified or allowed to be falsified any certificate, form, signed statement, application, report or certification of the correction of a violation required under the provisions of this code or of a rule of any agency, I may be barred from filing further applications or documents with the Department.
- I hereby certify as the permittee or as a representative of the permittee that a noise mitigation plan for the site has been developed in accordance with Administrative Code § 24-219 through § 24-224 and that such plan is in compliance with the Department of Environmental Protection's noise mitigation rules.
- I further affirm and attest that the afterhours and/or weekend construction work defined in the work scope of this application is submitted for the purpose and consideration indicated in section 5 of this application, "Reason for Variance."
