Subject: Solar Energy Installation for
Fordham Bedford
240 East 194th Street
Bronx, NY 10458

Block: 3293
Lot: 135

I have reviewed the solar energy system installation at the subject address on August 17, 2017. The units have been installed in accordance with the manufacturer's installation instructions and the approved construction drawing. I request issuance of a Letter of Completion from the DOB.

To my best belief and knowledge, the work in this document is accurate, conforms with the governing codes applicable at the time of submission, conforms with reasonable standards of practice, with the view to the safeguarding of life, health, property and public welfare.

Regards,

Ralph Pacifico, PE
