

Rent Regulated Building Search

New York State Division of Housing and Community Renewal

[Help](#)[Print](#)[Application Instructions](#)[Home Page](#) > [Forms & Applications](#) > Rent Regulated Building Search

The buildings that will be listed have filed records with the New York State Division of Housing and Community Renewal at least one time from 1984 to the present year and may contain one or more regulated apartments. Inclusion on the list is not determinative of the building's current status. The list may not include all buildings that have [rent regulated](#) tenants.

For additional information on how to enter the address values into the search fields, use the Help in the upper right of this page.
