Objective 14 Inspection Request

I will make inspections during the progress and upon completion of work. Controlled inspection reports and other required reports, or certificates for this job, shall be filed by me before the work is reported complete.

Upon completion of the work and after my final inspection, I shall file a certificate attesting to the fact that all work was performed and completed in accordance with the approval or accepted plans and with the provisions of the building code and other applicable laws and regulations, except as reported otherwise.

I understand that my failure to file a certificate of completion or to notify the Department of my withdrawal of responsibility within one year from permit issuance may result in the loss of privileges to file under Objectives 2 and 14 of 1975 amendments of a violation, or both.

Change of Applicant

I am a newly designated individual responsible for the items specified herein and I hereby state that:

Items of the controlled inspection tests indicated herein have been performed to date by the previously designated individual.

Items of the controlled inspection tests indicated herein have been performed by the previously designated individual, as indicated in the attached report.

Certification of Completed Inspections/Tests

I have completed the items specified herein and certify the following:

All work has been performed in accordance with applicable New York City Building Code rules and other designated rules and regulations.

All work and materials conform to the approved plans and specifications, except as indicated in the attached report.

Violation Removal

The following violations were corrected as a result of work performed under the job/application number referenced herein. Therefore, I respectfully request removal of these violations:

Withdrawal of Approval

I am withdrawing responsibility for the items of controlled inspection indicated herein and herewith submit the results or status of the work performed to date.
