**Re: 114 Frost Street
Brooklyn, NY
Application # 320712822**

To Whom It May Concern:

I hereby state that all of the required existing smoke detectors are in accordance with the approved plans and New York City Building Code. The tenants of the building shall be responsible for the maintenance of the smoke detectors and will ensure that the smoke detectors will always be in working order as required by code.

Sincerely,

Alon Egozi P.E.
