6 Owner's Statement and Signature for Progress/Special Inspector Required when inspector applicant desires responsibility

I have reviewed the information provided herein and, to the best of my knowledge and belief, attest to its accuracy. I agree to the designation of the responsible inspector. Falsification of any statement is a misdemeanor and is punishable by a fine or imprisonment or both. It is unlawful to give to a city employee or for a city employee to accept any benefit, monetary or otherwise, either as a gratuity for properly performing the duties or in exchange for special consideration. Violation is punishable by a fine or imprisonment or both. I understand that if I am found after the fact to have knowingly or negligently made a false statement or to have knowingly or negligently falsified or allowed to be falsified any certification form, signed statement, application, report or certification of the correction of a violation required under the provisions of this code or of any other any agency, I may be barred from filing further applications or documents with the Department.

Check all that apply below:

- ☒ For the **special inspections** indicated above in section 3, I certify that I am the principal director of the special inspection agency accepting responsibility for conducting the inspections. I further certify that I have read the applicable sections of the New York City Construction Codes in connection with special inspections as well as 1 RCNY 101-06 Rule, which specifies the qualifications required for each inspection and that my agency meets those qualifications for each and every special inspection for which I/we take responsibility. I agree that both I and the agency will comply with all provisions of the New York City Construction Codes and the Rule. I am aware of the additional sanctions imposed on false filings by §28-211.1.2 of the Administrative Code.

- ☒ For the **progress inspections** indicated above in section 4, except energy code inspections on the TCEI form and/or concrete test items indicated in section 3, I assume the responsibility and I personally, or where permitted by the New York City Construction Codes, qualified personnel under my direct supervision, will perform the required inspections and tests on such forms and in such manner as the Department requires or requests. I am aware of the additional sanctions imposed on false filings by §28-211.1.2 of the Administrative Code.

Final Inspection:

- ☐ I will make final inspection of the construction work, including those inspections during its progress, personally or by my certification agent, and inspection that all work substantially conforms to approved construction documents and applicable laws and rules. I will confirm that the performance of progress inspections and other inspections has been documented before I report the work complete. As permitted by the Code, 101-13, I will perform the final inspection within 1 year from the expiration of the last valid permit of the work.

Upon completion of the work and within 30 days of my final inspection, I will file a certification attesting to the fact that all work was performed and completed in accordance with the approved construction documents, laws and rules, except as reported otherwise.

- ☐ I understand that my failure to file a certification of completion or to notify the Department of my withdrawal of responsibilities within one year from expiration of the permit may result in the loss of my privileges to file under Directives 2 and 14 of 1975 or issuance of a violation. I am aware of the additional sanctions imposed on false filings by §28-211.1.2 of the Administrative Code.

- ☐ Change of Applicant: If a newly designated individual responsible for the item specified herein and I hereby state that:

- ☐ None of the inspections designated herein have been performed to date by the previously designated individual.
- ☐ Some of the inspections designated herein have been performed by the previously designated individual and the attached report.
