Cost estimates shall include total value of work proposed per § 28-112.3 of the NYC Administrative Code and shall be direct work costs based upon material, equipment and labor; work shall include all construction elements including, but not limited to, construction equipment, wall and floor finishes, built-in cabinets, and kitchen appliances. Indirect costs, including but not limited to general conditions, insurance, and an allowance for profit and overhead shall be added to direct work costs and shall be reflected in the unit costs shown. If in the opinion of the Department, the valuation is underestimated on the application, the permit shall be denied, unless the applicant can show detailed estimates to meet the approval of the Department. The initial, amended and final building permit valuation shall be set by the department. **"Yes" or "No" must be specified for each "Category of Work" listed below.**
