RE: DOB Job# or address : 157-36 26 Ave

Your Parks Site Plan Review is complete. Please find 2 sealed copies of the plan enclosed; one for DOB and one for your records. Should you need additional trees to fulfill the zoning requirement please apply for either an off-site location or to pay into the tree fund once the project is in construction. If you have further questions, please contact this office.

Thank you,
Queens Forestry
