Section Applicant's Identification of Responsibilities

Check all that apply below:

For the special inspections indicated above in section 3, I certify that I am the principal/director of the special inspection agency accepting responsibility for conducting the inspections. I further certify that I have read the applicable sections of the New York City Construction Codes in section with special inspections as well as 1 RCNY 101-06 Rule, which specifies the qualifications required for each inspection and that this agency meets those qualifications for each and every special inspection for which I/we take responsibility. I agree that both I and the agency will comply with all provisions of the New York City Construction Codes and the Rule. I am aware of the additional sanctions imposed on false filings by §28-211.1.2 of the Administrative Code.

For the progress inspections indicated above in section 4, except energy code inspections on the TRB form, and/or concrete test items stated in section 3, I assume the responsibility and I personally, or where permitted by the New York City Construction Codes, qualified personnel under my direct supervision, will perform the required inspections and tests on such forms and in such matter as the Department requires or requests. I am aware of the additional sanctions imposed on false filings by §28-211.1.2 of the Administrative Code.

Inspection:

I will make final inspection of the construction work, including those inspections during its progress necessary to my certification upon final completion that all work substantially conforms to approved construction documents and applicable laws and rules. I will confirm that the performance of progress inspections and other inspections has been documented before I report the work complete. As prescribed by 1 RCNY 10, I will perform the final inspection within 1 year from the expiration of the last valid permit of the work.

At completion of the work and within 30 days of my final inspection, I will file a certification attesting to the fact that all work was performed and completed in accordance with the approved construction documents, laws and rules, except as reported otherwise.

I understand that my failure to file a certification of completion or to notify the Department of my withdrawal of responsibilities within 30 days from expiration of the last valid permit may result in the loss of my privileges to file under Directives 2 and 14 of 1975 or constitute a violation, or both. I am aware of the additional sanctions imposed on false filings by §28-211.1.2 of the Administrative Code.

Signature of Applicant: I am a newly designated individual responsible for the items specified herein and I hereby state that:

None of the inspections/tests indicated herein have been performed to date by the previously designated individual.

Some of the inspections/tests indicated herein have been performed by the previously designated individual, as indicated in the attached report.

I am aware of the additional sanctions imposed on false filings by §28-211.1.2 of the Administrative Code.
