To whom it may concern,

I would like to request reconsideration of objection# 04 for new wood deck installation.
Please review with attached all documents and plans.

Thank you for your advance.

Youngsam Yu, R.A.

Your AI1 for 2nd review of objection #4 regarding storm water disposal method for construction of an wooden deck (as stated on AI1, the deck shall be of dimension 8'Dx31.5'L without roof above and wood decking will be installed with 1/4" gap, and as per dwg. A.001.00) has been completed.

Based on docs provided, the obj. #4 shall be resolved with the examiner, and be marked removed.

Note that, the deck should comply with all other requirements of ZR 23-44, TPPN #4/ 03.

TY.

NOTE: You may retain this response for your reference and record, NO separate transmission shall be sent at this moment.
