BIN 4295103

CB No.410

2 Tenant Protection Plan *Required for all applications with occupied dwelling units. (2014 AC 28-104.8.4) Means and methods shall be described with particularity and in no case shall terms such as "code compliant," "approved," "legal," "protected in accordance with law" or similar terms be used as a substitute for such description. The elements of the Tenant Protection Plan may vary depending on the nature and scope of the work but at a minimum shall make detailed and specific provisions for:*

1. **Egress** - Clarify how adequate egress will be maintained during construction.
2. **Fire Safety** - Identify safety measures to maintain fire safety of occupied dwelling during construction.
3. **Health requirements** - Specify methods to be used for control of dust, disposal of construction debris, noise control, maintenance of sanitary facilities during construction.
 - 3.1. **Lead and asbestos** - Statement of compliance with applicable provisions of law relating to lead and asbestos, such statement shall describe with particularity what means and methods are being undertaken to meet such compliance.
4. **Compliance with housing standards** - Demonstrate compliance with NYC housing maintenance code and NYS multiple dwelling law during construction.
5. **Structural safety** - Identify specific measures to maintain structural stability during construction.
6. **Noise restrictions** - Identify measures to comply with NYC Noise control code during construction.
7. **Maintaining essential services** - Describe the means and methods to be used for maintaining heat, hot water, cold water, gas, electricity, or other utility services in accordance with the requirements of the New York City Housing Maintenance Code. Specify if a disruption of any such service is anticipated during the work, including the anticipated duration of such disruption and the means and methods to be employed to minimize such disruption, including the provision of sufficient alternatives for such service during such disruption.
8. **Other requirements** - Any additional requirements to assure tenant safety during construction.

Complete all sections that apply below.

1. Construction work will be confined to the apartment and will not create dust, dirt, or other such inconveniences to other apartment units within the building.
2. Construction work shall not block hallways or means of egress for tenants of building.
3. Construction work will not involve interruption of heating, water or electrical services to other tenants of the building.
4. Construction work will be confined to normal working hours as per the building requirements monday thru friday except holidays. all contractors must leave the building as per the building rules.
5. 28-104.8.4.1 public availability of tenant protection plan
upon issuance of a permit for work containing a tenant protection plan, the department shall make the tenant protection plan publicly available on its website.
6. 28-104.8.4.2 provision of copy of tenant protection plan to occupants upon request
the owner of a building undergoing work for which a tenant protection plan is required by section 28-104.8.4 shall, upon request from an occupant of a dwelling unit within such building, provide such occupant with a paper copy of the tenant protection plan approved by the department.
7. 28-104.8.4.3 notice to occupants
upon issuance of a permit for work containing a tenant protection plan, the owner shall (i) distribute a notice regarding such plan to each occupied dwelling unit or (ii) post a notice regarding such plan in a conspicuous manner in the building lobby, as well as on each floor within ten feet of the elevator, or in a building where there is no elevator, within ten feet of or in the main stairwell on such floor. The notice shall be in a form created or approved by the department and shall include:
 1. A statement that occupants of the building may obtain a paper copy of such plan from the owner and may access such plan on the department website;

2 Tenant Protection Plan (Continued)

2. The name and contact information for the site safety manager, site safety coordinator or superintendent of construction required by section 3301.3 of the new york city building code, as applicable, or, if there is no site safety manager, site safety coordinator or superintendent of construction, the name and contact information of the owner of the building or such owner's designee; and
 3. A statement that occupants of the building may call 311 to make complaints about the work
-
1. Egress. At all times in the course of construction provision shall be made for adequate egress as required by this code and the tenant protection plan shall identify the egress that will be provided. Required egress shall not be obstructed at any time except where approved by the commissioner.
 2. Fire safety. All necessary laws and controls, including those with respect to occupied dwellings, as well as additional safety measures necessitated by the construction shall be strictly observed.
 3. Health Requirements. Specification of means and methods to be used for control of dust, disposal of construction debris, pest control and maintenance of sanitary facilities, and limitation of noise to acceptable levels shall be included.
 - 3.1. There shall be included a statement of compliance with applicable provisions of law relating to lead and asbestos, and such statement shall describe with particularity what means and methods are being undertaken to meet such compliance.
 4. Compliance with housing standards. The requirements of the New York City housing maintenance code, and, where applicable, the New York state multiple dwelling law shall be strictly observed.
 5. Structural safety. No structural work shall be done that may endanger the occupants.
 6. Noise restrictions. Where hours of the day or the days of the week in which construction work may be undertaken are limited pursuant to the New York City noise control code. Such limitations shall be stated
 7. Maintaining essential services. Where heat, hot water, cold water, gas, electricity, or other utility services are provided in such building or in any dwelling unit located therein, the tenant protection plan shall specify the means and methods to be used for maintaining such services during such work in accordance with the requirements of the new York city housing maintenance code. if a disruption of any such service is anticipated during the work, then such plan shall specify the anticipated duration of such disruption and the means and methods to be employed to minimize such disruption, including the provision of sufficient alternatives for such service during such disruption

Should you require additional space, please complete and submit an A11 form.
