RE: OMROW SINGH Residence - [1024 BAY 25TH ST](#), FAR ROCKWY, NY 11691 – 7.68 kW Residential Net Metered PV System, PAM-2021-131441

Dear OMROW SINGH,

This correspondence concerns your 8.84 kW DC /7.68 kW AC, Residential photovoltaic net meter system located on [1024 BAY 25TH ST](#), FAR ROCKWY, NY 11691 associated with PSEG Long Island acct# 0082924512 have been technically satisfied to operate in parallel with LIPA system as of 10/12/2021. In addition, the net meter was installed and is active.

Please note that you are responsible for obtaining all building permits and any other governmental approvals that may be required. Once you have obtained all such permits, you may begin commercial operation of your photovoltaic system.

Furthermore, your project is effective as of the operational date referenced above. Unused energy credits will roll over to next billing period for the full 20 years and energy credits remaining after the twentieth year will be forfeited for Residential or Small Commercial Service Classifications that are not billed for demand. Please contact 1-800-490-0025 for net meter billing inquiries.

If you have any questions, please feel free to contact us at (516) 949-7004.

Thank you.
