Applicant

Identification of Responsibilities

I have assumed responsibility for the items specified previously. I, personally, or, where permitted by the Building Code, qualified personnel under my direct supervision, will perform the required inspection and tests. All inspection and test reports shall be signed and filed with the Department.

Directive 14 Inspection Request

I will make inspections during the progress and upon completion of work. Controlled inspection reports and other required reports, appropriate for the job shall be filed by me before the work is reported complete.

Upon completion of the work and after my final inspection, I shall file a certification attesting to the fact that all work was performed and completed in accordance with the approved or accepted plans and with the provisions of the building code and other applicable laws and regulations, except as imported otherwise.

I understand that my failure to file a certification of completion or to notify the Department of my withdrawal of responsibility within one year from permit issuance may result in the loss of my privileges to file under Directives 2 and 14 of 1975 or issuance of a violation, or both.

Change of Applicant

I am hereby designated to be responsible for the items specified herein and I hereby state that:

None of the controlled inspection tests indicated herein have been performed by the previously designated individual.

Some of the controlled inspection tests indicated herein have been performed by the previously designated individual, as indicated in the attached report.

X Certification of Completed Inspections/Tests
