Future Easements. Developer shall retain the right, so long as there are any unsold Lots on The Properties, to place any easements in, to or under The Properties which Developer shall deem necessary for the benefit of the Association and its Members. Such easements may not interfere with the use and enjoyment of the Lots and Homes. In the event Developer intends to place an easement on the property, it will notify the Board of Directors by certified mail or other means evidencing receipt describing the easement to be placed on The Properties. The Board shall have ten (10) days from the receipt of said notification to advise Developer of any objections to the placing of the easement on The Properties. In the event the Board objects, said matter shall be decided by arbitration or other similar dispute procedures with the losing side responsible for all costs attributable to the resolution of the dispute.

Section 3. Reservation of Easements. The Developer reserves the easements, licenses, rights and privileges of a right-of-way in, through, over, under and across The Properties, for the purpose of completing its work under Section 1 above and towards this end, reserves the right to grant and reserve easements and rights-of-way in, through, under, over and across the Properties, for the installation, maintenance and inspection of lines and appurtenances for public and private water, sewer, drainage, cable television, electric, gas and other utilities and for any other materials or services necessary for the completion of the work. Finally, the Developer reserves the right to continue to use The Properties and any sales offices, model homes, gate house, signs, recreation facilities, and parking constructed on The Properties in its efforts to market homes or lots. In addition, Developer reserves the right to install one or more cluster mail boxes on any Lot to the extent required by the post office in order to provide mail service for the Homes in the Development. This paragraph

may not be amended without the consent of Developer.

Section 4. Encroachments on Lots. In the event that any portion of any roadway, walkway, parking area, driveway, water lines, sewer lines, utility lines, building or any other structure which may have been originally constructed by Developer encroaches on any Lot, it shall be deemed that the owner of such Lot or the Association has granted a perpetual easement to the owner of the adjoining Lot or the Association as the case may be for continuing maintenance and use of such encroaching roadway, walkway, driveway, parking area, water lines, sewer lines, utility lines, building or structure if same are constructed in substantial conformance to the original. The foregoing conditions shall be perpetual in duration and shall not be subject to amendment of these covenants and restrictions.

Section 5. Drainage System. The Developer and/or the Association and each Member thereof shall keep the "internal drains", manholes, yard drains, trench drains and appurtenances wholly within the boundary limits of the Development and said sewer line or drains point of exit from the Development shall not be altered. The Developer and/or the Association and each and every Member thereof shall maintain the "internal drains", manholes, yard drains, trench drains and appurtenances at all times throughout the life of the Development. They shall be responsible for the abatement of any nuisance due to the use of "internal drains", manholes, yard drains, trench drains and appurtenances that would have an adverse effect on the health, safety and welfare of the City and State of New York. The Developer insures that the utilization of "internal drains", manholes, yard drains, trench drains and appurtenances for the conveyance of sanitary flow is so designed as to size, shape, slope and velocity to have sufficient capacity to take the estimated peak sanitary flow from the Development. Finally, the Developer and/or the Association and each and every member thereof, shall utilize the "internal drains", manholes, yard drains, trench drains and appurtenances in such a manner, that it will not in any way have an adverse effect on the City of New York's completed or pending sanitary and storm water drainage plans for the tributary drainage area of the separate sewer outlets.

ARTICLE VI. COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation. The Developer, for each Home developed by it within The Properties, hereby covenants and each Owner of any Home or Lot by acceptance of a deed therefor, whether or not it shall be expressed in any such deed or other conveyance, shall become a part of the Association and shall be deemed to covenant and agree, to pay to the Association such assessments or common charges as are fixed by the Association's Board of Directors and assessed to the Members as hereinafter provided. All sums assessed by the Association but unpaid, together with such interest thereon as is hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property owned by such delinquent Member against which each such unpaid assessment or common charge is made. Each such assessment or common charge, together with interest thereon and cost of collection thereof, as hereinafter provided shall be a personal obligation of the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of the Assessment. The assessments levied by the Association shall be used exclusively for the purpose of maintenance of the Common Properties including the Drainage System and Roadway, and includes, without limiting the foregoing, the payment of any taxes, insurance, maintenance, replacement and additions thereto, and the cost of labor, equipment, materials, services, management and supervision thereof.

Section 3. Assessments. The Association's Board of Directors shall, from time to time, but at least annually,

fix and determine the budget representing the sum or sums necessary and adequate for the continued operation of the Association and shall send a copy of the budget and any supplement to the budget to each Member prior to assessing the Members thereon. The Board shall determine the total amount required, including the operational items such as insurance, repairs, reserves, maintenance and other operating expenses, as well as charges to cover any deficits from prior years and capital improvements approved by the Board. The total annual requirements and any supplemental requirements shall be allocated among, assessed to and paid by the Members as follows:

Each Member owning a Home or Lot shall pay a portion of said requirements the numerator of which shall be one (1) and the denominator of which shall be equal to the sum of the number of Homes on The Properties subject to this Declaration. The Developer's obligation for such assessments on unsold Homes or Lots (whether built or unbuilt) subject to this Declaration will be limited to the difference between the actual operating costs of the Association, including any reserves on the Common Properties and the assessments levied on owners who have closed title on their homes. In no event, however, will the Developer be required to make a deficiency contribution in an amount greater than it would otherwise be liable for if it were paying assessments on unsold Homes or Lots. The sum due the Association from each individual Home or Lot Owner shall constitute an assessment of the Board of Directors and unpaid assessment shall constitute liens on the individual Homes or Lots, subject to foreclosure as hereinafter provided.

Section 4. Due Dates; Duties of the Board of Directors. All assessments shall be payable either annually, semi-annually or monthly in advance as ordered by the Board of Directors. The Board of Directors of the Association shall fix the date of commencement and the amount of the assessment against each Home or Lot and shall prepare a roster of the Homes or Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Member. Upon the written request of a Member or his mortgagee, the Board shall promptly furnish such Member or his mortgagee with a written statement of the unpaid charges due from such Member.

Section 5. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 3 of this Article VI, the Association may levy, in any assessment year, a special assessment (which must be fixed at a uniform rate for all Homes or Lots) applicable to that year only, in an amount no higher than the maximum annual assessment then permitted to be levied hereunder for the purpose of defraying, in whole or in part, the cost of any construction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of sixty-six and two-thirds (66 2/3%) percent of the Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting, setting forth the purpose of the meeting. The due date of any specified assessment shall be fixed in the Resolution authorizing such assessment.

Section 6. Effect of Non-Payment of Assessment, The Personal Obligation of the Member; The Lien, Remedies of the Association. If an assessment is not paid on the date when due, as fixed by the Board of Directors, then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the Member's Home or Lot which shall bind such property in the hands of the Member, his heirs, devisees, personal representatives and assigns. Such lien shall be prior to all other liens except: (a) tax or assessment liens on the Home or Lot by the taxing subdivision of any governmental authority, including but not limited to State, County and School District taxing agencies; and (b) all sums unpaid on any mortgage of record encumbering the Home or Lot

at the time when such assessment becomes due. The personal obligation of the Member who was the Owner of the Home or Lot when the assessment fell due to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the assessment or common charge is not paid within thirty (30) days after the delinquency date, the assessment or common charge shall bear interest from the date of delinquency at the maximum permissible rate in the State of New York and the Association may bring a collection action at law against the Member or former Member personally obligated to pay the same and may foreclose the lien against the property. To the extent allowed by law, the Association shall indemnify any person made, or threatened to be made, a party to an action by or in the right of the Association to procure a judgment in its favor by reason of the fact that he, his testator or intestate, is or was a director or officer of the Association, against amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in the best interests of the Association, except that no indemnification under this paragraph shall be made in respect of (a) a threatened action, or a pending action which is settled or otherwise disposed of, or (b) any claim, issue or matter as to which such person shall have been adjudged to be liable to the Association, unless and only to the extent that the court in which the action was brought, or, if no action was brought, any court of competent jurisdiction, determines upon application that, in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such portion of the settlement amount and expenses as the court deems proper.

Section 2. In Other Actions or Proceedings: To the extent allowed by law, the Association shall indemnify any person made, or threatened to be made, a party to an action or proceeding (other than one by or in the right of the Association to procure a judgment in its favor), whether civil or criminal, by reason of the fact that he, his testator or intestate, was a director or officer of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein, if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in the best interests of the Association and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his conduct was unlawful.

The termination of any such civil or criminal action or proceeding by judgment, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not in itself create a presumption that any such director or officer did not act in good faith, for a purpose which he reasonably believed to be in the best interests of the Association or that he had reasonable cause to believe that his conduct was unlawful.

Section 3. Payment: A person who has been successful, on the merits or otherwise, in the defense of a civil or criminal action or proceeding of the character described in Section 722 of the Not-For-Profit Corporation Law shall be entitled to indemnification as authorized in said Section.

Except as provided in Paragraph (a) of Section 723 of the Not-For-Profit Corporation Law, any indemnification under Section 722 or otherwise permitted by Section 721 of the Not-For-Profit Corporation Law, unless ordered by a court under Section 724 thereof, shall similarly be permitted to be made by the Association only if authorized for a corporation in the specific case in accordance with the provisions of Paragraph (b) of said Section 723.

Expenses incurred in defending a civil or criminal action or proceeding may be paid by the Association in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount as, and to the extent, required by Paragraph (a) of Section 725 of the Not-For-Profit Corporation Law.

Section 4. Other Provisions: Indemnification of directors or officers shall be subject to the other provisions affecting the same as set forth in Section 725 of the Not-For-Profit Law, including, but not limited to, the provision that requires that if any expenses or other amounts are paid by way of indemnification, otherwise than by court order or action by the shareholders, the Association shall, not later than the next annual meeting of Members unless such meeting is held within three months from the date of such payment, and, in any event, within fifteen months from the date of such payment, mail to its Members of record at the time entitled to vote for the election of directors a statement specifying the persons paid, the amounts paid, and the nature and status at the time of such payment of the litigation or threatened litigation.

Section 5. No Limitation: Nothing contained in this article shall limit any right to indemnification to which any director or any officer may be entitled by contract or under any law now or hereafter enacted. However, notwithstanding anything to the contrary contained in this article, directors designated for election by the Developer shall be liable as fiduciaries to the Members for their acts or omissions.
